Mr. Judge Gordon

My name is Edna Seals, I'm Dijon's grandmother. I know this case is in God's hand first, and next in your hand. And you're going to make the decision about his case, and that's your job. I heard that he has 12 years already. And I'm praying if there are more, that it won't be much. My grandson is not a bad person. I'm sure every grandmother says this. He had the choice to do right or wrong. But he took the wrong road. He Pastor Killeb's girl that love him very much. And he loves them. He always took time for them. He always took time for his mom and his mother did too. She was sick on kidney machine, she pass. But the machine didn't kill her. The medicine from the pharmacy kill her. They call it the wrongful death of Katrina Daniels that wait their mother name. you see they made a mistake, causeth death of their mom. But none of this is your fault. In my heart Dijon have change, I hope he haven't been lock up long. And he is not a special from any other young man in jail. But I love him. Mr. Gordon don't just throw him away. I need him to, I'll soon be 67 years old. He always come and see about me. Please look over my hand writing. I'm praying for my grandson I'm praying mom. Thank you for taking time to read my letter.

Dear Judge

Hi, my name is,
Efrem Z. Coleman. I'm writing you on
behalf of Dijon Seales. MR. Seales is a
good young man, although he has made some
mistakes by making wrong choices. I
understand if you commit a Felony ~~with~~ theirs
going to be consequences. MR. Seales is
not a ^{violent} ~~violent~~ person, I've known him since
he was born. I'm asking you, will you
consider not giving him a long time to
serve, he has to beautiful little kids
that needs him out here in society (with them).
I believe with rehabilitation and time
to think about his actions he will be
a better person once he's released, but
please consider his time, thank you
very much for reading this letter
